

Event

"NFPs/NCPs National and European networks: challenges for the creation of synergies on health among European programmes"

Rome, 21-22 November 2023

The event, organised in the framework of the JA NFP4Health, aims at promoting and disseminating the project activities that contribute to the EU4Health Programme Implementation. Contextually, the event represents an occasion to strengthen the european networks of National Focal Points (NFP)/National Contact Points (NCP) of other health-related Programmes by highlighting the technical role of the European Programmes 'ambassadors' and pave the way towards the development of synergistic and complementarity actions.

Target: NFPs/NCPs, ProMIS CTO members, Stakeholders

Event open to the wider public in online mode

21 November - Day 1 (14.00-19.00)

Spazio Europa, Via IV Novembre - Rome

The event will take place at Spazio Europa, managed by the European Parliament Office in Italy and the European Commission Representation in Italy
